DATA HANDOVER TO FM COMPANY

• CONSTRUCTION, INSTALLATION, PRODUCT WARRANTY & MAINTENANCE DATA IS UPDATED ONLINE TO REFLECT RECORD DOCS
• FINAL (AS-BUILT) SYNCHRONIZATION WITH CODEBOOK™
TYPICAL C.O.B.I.E. DELIVERABLE STAGES

DEVELOPMENT STATUS
OUR SYSTEMS WERE DEVELOPED BY ARCHITECTS FOR ARCHITECTS...

Both Anthony & Peter have similar backgrounds in Health Facility Planning & Architecture. Their involvement on large projects yielded a need to increase the efficiencies and accuracy of their offices. Ultimately they developed unique solutions to similar problems. Both are committed to further developing and harmonizing their products and processes.
